ABOUT THE COLLEGE

Dr. Meghnad Saha College started its journey in the year of 2000 at Ranipur in the rural confines of Itahar in the district of Uttar Dinajpur with the solemn appeal of providing quality education at under graduate level to local youths for enlightening them with academic knowledge as well as versatility of professional skills along with the 'manifestation of perfection' of human excellence and morality.

Named after the venerable scientist Dr. Meghnad Saha, who overcame all barriers of poverty and the challenges of outrage of acute social disparity, the college remains a symbol of inspiration and adoration to the resourceful youth of the region towards moulding their lives with the hymns of discipline, devotion and perseverance having tuned with the melody of communal and religious harmony to reach the goal of becoming the responsible citizens for serving the nation. The college initially started functioning with general courses in the humanities stream under the affiliation of the University of North Bengal and now the college is affiliated to the Gour Banga University.

Presently, the college is offering Honours Degree courses in eleven subjects in Science and Arts stream as well as B.A. and B.Sc. General Degree courses to more than three thousand students per academic session under the affiliation of the University of Gour Banga.

The college is recognized by the University Grants Commission (UGC) under section 2(f) and 12(B) of the UGC Act, 1956. The college is accredited by the National Assessment and Accreditation Council (NAAC) with CGPA 2.42 (B) during the first cycle which is valid up to September 2026.

OUR VISION

Engraving values, excelling skills, empowering marginalized peoples & ensuring environmental sustainability through (higher) education

OUR MISSION

- To ignite the light of higher education inside the first-generation students.
- To scatter the light of quality higher education in the region to eradicate the long-lasting curses of illiteracy & illiteracy.
- To abolish the existing social curses through the weapon of higher education.
- To provide quality education to the rural students irrespective of caste, religion and diverse socio-economic status.
- To develop within the students a spirit of environmental consciousness with a goal towards sustainable development.
- Emancipation of women through higher education by spreading awareness about the various social, economic and cultural malpractices that plague them.
- To educate the students so that they inculcate within them the proper social and cultural commitments towards the larger sections of our society.
- To build up the moral character of the students, and to make a student efficient to earn his livelihood by equipping them with relevant knowledge, competence and skills.
